

Senior Spotlight 2022-2023

Isaish Hubanks

Favorite Class

My current favorite class is physics as I am able to combine the math and the science realm of school and apply it to the motion and other parts of the world. I find the application of knowledge to the world very interesting.

Favorite professional athlete

My favorite professional athlete is Kobe Bryant, his mentality and ability was just unmatched.

What is the most interesting thing about you or something that we might not know?

I am tongue tied.

How many years have you played basketball?

12 years

Season Goals

A goal for the team is to win the conference and make a deep playoff run. Individually I'd like to play without fear and have some fun.

Favorite basketball memory

My favorite basketball memory is when I had 30 points in the first game of my junior season. The energy of the crowd and the comeback we made as a team is most memorable.

Advice for underclassmen

Chase success, because when you don't the only thing guaranteed is to lose. Work when no one is watching, in sports and in life to leave your mark on the world.
